

Love the Library? Help Us Support It.

The Thousand Oaks Library has been here for the community since 1961, and the Friends have been here for the library since 1964. The power to keep our library the strong, vibrant community center we know and love is in your hands. Especially now, when the ability to access the library's contents virtually is so important for the community, the library needs your support. Your generous donation helps the Friends of the Library fund purchases of materials, technology, education, concerts, summer reading programs, and more.

Please consider a donation to help us continue to support the library—every dollar helps provide needed services and materials to the community. Thanks for your support!
