

The Friends of the Thousand Oaks Library's Vintage Vinyl & Book Sale features a wide variety of genres and artists. There are many classical records and record sets. Other genres include pop artists, country, and instrumentals. A recent large donation of classic rock albums includes many in the Classic Rock History List of the 52 Greatest Hits. In addition, there will be a unique selection of vintage books for your consideration. Most records and books are priced at just \$1.

Don't miss it!

Saturday, April 5<sup>th</sup>, from 11am to 3pm.
